

European Physical Society Conference Copyright Form

Publications for the **5th EPS-QEOD EUROPHOTON Conference on Solid-State, Fibre, and Waveguide Coherent Light Sources**, August 26 - 31, 2012, Stockholm, Sweden

TITLE OF ARTICLE:

AUTHOR(S):

The undersigned hereby assigns to the European Physical Society (the "Society") copyright ownership in the above-titled work to be effective as of the date published, to the extent transferable under applicable national law. If each author's signature does not appear below, then the signing author(s) represent that they sign this agreement as authorized agent(s) for and on the behalf of all the authors. The Society shall have the right to register copyright to the publication indicated above in its name as claimant. Also, the Society shall have the right to grant reprint permission to third parties and to negotiate and receive reasonable royalties in such instances.

Authors (or their employers, in the case of works made for hire) reserve all other rights to the above indicated publication including: (a) The right to use the work in future works of their own; (b) All proprietary rights other than copyright; (c) The right of the employer to make copies of the work.

Copyright and reprint permissions: Abstracting is permitted with credit to the source. Libraries are permitted to print copies beyond the limits of copyright in the US and in Europe, where applicable, for private use of patrons those articles in this volume. Fair use for scholarly purposes is also permitted. For other copying, reprint or publication permission, write to the European Physical Society, 6 rue des Frères Lumière, F-68200 Mulhouse, France.
